CCC Products Catalogue for Self-Declaration

Method for Self-declaration	Products	Product Category Code	Corresponding CCC Certification Index Category	CCC Certification Implementation Rule Affected
Self-declaration procedure A (internal choice of laboratory mode of testing + self-declaration)	Information technology equipment, audio and video equipment nominal voltage rating less than or equal to 5V DC, nominal power rating less than 15W (or 15VA), and equipment without rechargeable batteries (Class III equipment)		Audio and Video Equipment, Information Technology Equipment	CNCA-C08-01 : 2014 IMPLEMENTATION RULES FOR COMPULSORY CERTIFICATION Audio & Video products CNCA-C09-01 : 2014 IMPLEMENTATION RULES FOR COMPULSORY CERTIFICATION Information Technology Equipment
Self-declaration procedure B (Specified laboratory mode of testing + self-declaration)	1. The following within low-voltage switchgear: switching equipment within switchgear, bus cable systems (busways), distribution panels, low-voltage switchgear without power compensation devices	0301	Low-voltage Electrical Devices Low-Voltage Switchgear Assembly	CNCA-C03-01 : 2014 IMPLEMENTATION RULES FOR COMPULSORY CERTIFICATION Low-voltage Switchgear Assembly
	2. Low power electric motors	0401	Low power electric motors	CNCA-C04-01 : 2014 IMPLEMENTATION RULES FOR COMPULSORY CERTIFICATION Low Power Electric Motors
	3. Small-scale AC Arc Welding Machines 4. AC Arc Welding Machines 5. DC Arc Welding Machines 6. TIG Arc Welding	0601, 0602, 0603, 0604,	Electric Welding Machines	CNCA-C06-01 : 2014 IMPLEMENTATION RULES FOR COMPULSORY CERTIFICATION Electric Welding Machines
